## Letter of Appreciation

Dear Mr Anesh Rajkumar

I trust you are well.

WeFEEDsa are extremely grateful for your kind contribution of 6 waterproof single mattresses. We reached out to you in our time of need and you so willingly assisted us. We appreciate your kindness.

The HOO will be opening soon and thanks to you we have good mattresses for our residents.

You truly make a positive difference for us, and we are grateful.  
May the Almighty accept and bless you for your generous contribution.

I trust we will share a long fruitful partnership.

Sincerely,

Kathija Lauten
