

BLOOM

Special Needs School

November 2019

To Whom it may concern

It is with a beaming heart that I write this letter to thank Unifoam for the very generous donation to Bloom Centre. This money will be put to very good use and I am not quite sure how to express the gratitude that we feel as a team.

May you all be truly blessed, thank you for having such a huge heart for Bloom Centre and the work we do for these incredible little children.

Kind regards

Debbie Nicholson
