Dearest Eric and Kevin

Thank you for yet another incredible donation received on the 02 November 2017.

We are so very, VERY grateful to you both for this incredible blessing. Sometimes words just cannot do proper justice at all, and this is exactly one of those times. I simply just do not have the adequate vocabulary to express our heartfelt thanks and genuine appreciation.

We are sincerely grateful to you and for you both for all you have done for us.

With much appreciation

Les
